

Safe Streets for All

Police Commission

CITY & COUNTY OF SAN FRANCISCO

SFPD, Traffic Division

Feb.2019

Goals

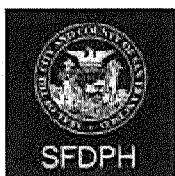

- To end traffic fatalities by 2024
- Partner with community stakeholders to expand training and education
- Focus on the Five – to issue at least half of all traffic violations to the five primary causes of collisions and injuries
- Report quarterly to the Police Commission

TRAFFIC COMPANY ENFORCEMENT

3

Effort and Deployment

- Focus on Vision Zero High Injury Corridors
- Prioritize corridors with high incidence of fatalities and severe injuries
- Operational enforcement of locations identified by citizen complaints, Board of Supervisors, Stations, and Traffic Companies observed locations for operations
- Special Events: Sunday Streets, Facilitating 1st Amendment events and Community Outreach events
- Partnering with City agencies:

FOCUS ON THE FIVE

4

Top Five Collision Factors:
